Believe in The Future of

MIAMI CONSOLIDATED MINES CO.

This was shown when the first issue of 50,000 shares was placed on the market in Globe and a similar issue was offered at Miami. The rapidity with which the orders for these shares came in was surprising even to us—and we had felt confident that the investing public would be deeply interested. The local allotment will not last long, and we advise those who desire to participate in this new consolidation to get their stock at once.
